**Subject:** Planning for Tuesday's CSM meeting  
**Date:** 04/12/2006 12:40 PM

Hi all,

I'd like to schedule a time for us to talk (in person or by phone) about what we hope to achieve in next Tuesday's CSM meeting, and the process we'll use to get there. Based on yesterday's discussion, it sounds like our goal for Tuesday is to determine whether we (EPA/partners and LWG) share a common vision for the CSM, and if not, to identify what we need to do to align our thinking and resolve any issues. My understanding is that the basis for Tuesday's discussion will be (1) the LWG's outline of the CSM (due today or tomorrow), which will lay out the LWG's vision, and (2) a list of questions or suggestions from EPA/partners (also due today or tomorrow) that lays out our vision.

Please let me know your availability for meeting tomorrow, anytime between 8:00 a.m and 3:00 p.m., and whether you'd prefer an in-person meeting or call. We shouldn't need more than 30 or 45 minutes.

Thanks,  
Mikell
